CHAIRMAN'S LETTER

Dear Shareholder,

The Company has not only weathered a very tumultuous 2 year downturn in market conditions for junior companies, especially in the commodities sector, but the Board has successfully guided the Company from an industrial company to an exploration company without the excessive requirements of consolidation, and capital raising at \$0.20.

The Board has also been extremely prudent throughout this downturn, not only in their own remuneration, but also in the costs of administration of the Company, indeed the Company may be one of the lowest cost companies on the ASX.

As a result of the successful transition to an exploration company, the Board has selectively acquired strategically located nickel/gold exploration permits in the extremely active Fraser Range area, dominated by the Sirius/Independence Group Nova nickel discovery, as well as gold permits in Meekatharra immediately adjoining the Thundelarra Garden Gulley permits, which are currently undergoing follow up drilling, as a result of what Thundelarra describes as, "spectacular intercepts".

The Board recently announced the conditional acquisition of a further new permit in Meekatharra, which incorporates an old historical mine known as the Albury Heath, and also applied for a further 5 new permits surrounding that mine. Our consultants are currently collecting all of the historical records and will create a report for release to the market in the very near future regarding the overall potential of the mine, the area, and will incorporate the previous drilling results, reports and maps.

The Company continues to assess further advanced gold projects with the objective of creating possible short term cash flows, if the ideal project materialises, and is successfully secured on favourable terms, we will immediately make the necessary announcements to the market.

As you would by now be aware, the Company has initiated a rights issue (**Rights Issue**) to raise funds to exploit these projects, and you should have by now received all of the documentation. Rights issues are a very expensive process for the Company, in lieu of placements via broking houses to section 708 (sophisticated) investors, but the Board believes it is a method whereby existing Shareholders have first right to take up the Shares below the market price, and avoid dilution. Any shortfall not taken up by existing Shareholders will be offered to non-shareholders. The offer price is \$0.01 per share.

We believe the Company is well positioned to take advantage of the increased interest in gold, and gold exploration companies, especially in Western Australia, considered by many as being a safe and supportive State for exploration and mining.

We hope you will support the Company in regards to its Rights Issue and we look forward to seeing you at the Annual General Meeting.

Collin Vost
Managing Director

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2016 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.cervantescorp.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR JUSTIN VOST

3.1 General

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer. However, where there is more than one managing director, only one is entitled not to be subject to re-election.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Vost, who has served as a director since 23 November 2011 and was last re-elected on 27 November 2014, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Vost has a diploma in Financial Markets and is currently involved in the Capital Markets. Mr Vost also has experience in mining, manufacturing and business management within Australia and overseas. Mr Vost is also a Non-Executive Director of Baraka Energy & Resources Limited and JV Global Limited.

3.3 Independence

If elected the board considers Mr Vost will be an independent director.

3.4 Board recommendation

The Board supports the re-election of Mr Vost and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – PLACEMENT OF 25,000,000 SHARES

4.1 Background

The Company has recently acquired two exploration project areas in Meekatharra and the Fraser Range of Western Australia and is continuing to seek out new projects for joint venture or acquisition (**Potential Acquisition**). The consideration for any Potential Acquisition has not been negotiated and therefore the Company is seeking approval for a placement of shares for either cash or non-cash consideration up to a maximum of 25,000,000 Shares.

4.2 General

This Resolution seeks Shareholder approval for the issue of up to 25,000,000 Shares. The Company seeks this approval for the purpose of enabling the Company to be able to issue Shares as consideration for any Potential

Acquisition undertaken or for a capital raising by the Company during the three months after the approval of this Resolution.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

The effect of this Resolution will be to allow the Company to issue the Shares during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

While the Company continues to consider a Potential Acquisition or ways to increase its interest in its existing projects, as at the date of this Notice, the Company does not have any transaction on foot for which these Shares would be utilised.

4.3 Technical information required by ASX Listing Rule 7.1

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to this Resolution:

- (a) the maximum number of Shares to be issued is up to 25,000,000;
- (b) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur on the same date;
- (c) the Shares are proposed to be issued for either cash or non-cash consideration, whereby the following will apply:
 - (i) for non-cash consideration, for any Potential Acquisition of which the Company is able to negotiate share consideration. In accordance with the Listing Rules, the issue price will be a deemed issue price of not less than 80% of the volume weighted average price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made. The Company will, at the time of announcing any acquisition, outline the method of calculating the consideration to ensure that the price for the Shares issued is in accordance with the Listing Rules; or
 - (ii) for cash consideration, the issue price will be not less than 80% of the volume weighted average price for Shares calculated over the 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a prospectus, over the last 5 days on which sales in the securities were recorded before the date the prospectus is signed;
- (d) if the Shares are issued for non-cash consideration for any Potential Acquisition, they may only be issued to unrelated third party vendors upon the Company being able to negotiate a suitable transaction;
- (e) if the Shares are issued for cash consideration as part of a capital raising, the Directors will determine whom the Shares will be issued but these persons will not be related parties of the Company;

- (f) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (g) if the Shares are issued for non-cash consideration, the Company intends to issue the Shares as consideration for any Potential Acquisition of a suitable project and therefore no funds will be raised from the Placement.
- (h) if the Shares are issued for cash consideration, the Company intends to use the funds raised from the Placement towards the consideration for any Potential Acquisition and/or working capital for the Company.

Instructions for completing Proxy Form

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.

Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
