TIME: 2.00pm (WST)

DATE: 29 November 2019

PLACE: Royal Perth Golf Club, Labouchere Road, South Perth WA
6151

DRESS POLICY: Royal Perth Golf Club requires all members, guests and visitors to be dressed in smart casual. Denim, t-shirts, thongs and runners are not permitted. Men's shirts must be tucked in. These dress standards also apply to service providers. Admittance to the venue will be refused to those not adhering to the dress policy.

This Notice of Meeting should be read in its entirety. If Shareholders are in doubt as to how they should vote, they should seek advice from their professional advisers prior to voting.

Should you wish to discuss the matters in this Notice of Meeting please do not hesitate to contact the Company Secretary on (+61 8) 6436 2300.

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 5.00pm (WST) on 27 November 2019.

“The Company must comply in all respects with the requirements of the Listing Rules with respect to Restricted Securities. Without limiting the generality of the above:

- (a) a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (b) if the Restricted Securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the restricted securities are to be kept on the Company’s issuer sponsored subregister and are to have a holding lock applied for the duration of the escrow period applicable to those securities;*
- (c) the Company will refuse to acknowledge any disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (d) a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- (e) if a holder of Restricted Securities breaches a restriction deed or a provision of the Company’s constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.”*

The new proposed Article provides the constitutional underpinning for the ASX’s modified escrow regime.

The changes to Listing Rule 15.12 (which are reflected in the above new Article) are proposed to take effect from 1 December 2019 and will apply to restricted securities after that date. Any restricted securities issued before 1 December 2019 must continue to comply with the provisions of the Listing Rule 15.2 in force immediately prior to this date.

The Directors recommend that Shareholders vote to modify the Constitution to insert the new Article to ensure compliance with the Listing Rule changes.

Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. Company Financial Report, Directors' Report and Auditor's Report

The financial report, directors' report and auditor's report for the Company will be laid before the Meeting. There is no requirement for shareholders to approve these reports. The Chairman will allow a reasonable time for shareholders to ask questions about or make comments on the management of the Company. Shareholders will also be given a reasonable opportunity to ask the auditor questions about the conduct of the audit, and the preparation and content of the auditor's report, the accounting policies adopted by the Company and the independence of the auditor in relation to the conduct of the audit.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://www.cervantescorp.com.au/>

2. Resolution 1 - Adoption of the Remuneration Report

The remuneration report for the Company is set out in the Company's 2019 Annual Report. The remuneration report outlines the Company's remuneration framework and the remuneration outcomes for the financial year the subject of the remuneration report for the Board and Key Management Personnel.

The Chairman will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the remuneration report at the meeting.

Under the Corporations Act if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, then a further resolution (**Spill Resolution**) may be required to be considered at the second annual general meeting as to whether a further meeting be convened to put certain Directors to re-election. The Directors to be put to re-election are those Directors, other than the Managing Director, who were Directors when the resolution to make the directors report was passed.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the requirement for a Spill Resolution will not arise at this Meeting irrespective of the outcome of the vote on Resolution 1.

If you are appointing the Chair as your proxy, please note that the proxy form accompanying this Notice expressly authorises the Chair to vote any undirected proxies in favour of Resolution 1 even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Accordingly, if you are appointing the Chair as your proxy and do not wish your proxy to vote in favour of Resolution 1, you will need to mark "against" or "abstain" where indicated in the proxy form in relation to Resolution 1.

3. Resolution 2 – Re-election of Director

Clause 14.2 of the Constitution requires that at the Company's annual general

meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 14.2 of the Constitution is eligible for re-election.

The Company currently has 3 Directors and accordingly 1 must retire.

Mr Marcus Flis, the Director longest in office since his last election, retires by rotation and seeks re-election.

Mr Flis has been a Director of the Company for a period of approximately 2 years since 19 October 2017.

Mr. Flis has double and postgraduate degrees in geology and geophysics. He has in excess of 35 years' experience in multicommodity exploration, including considerable stints in gold exploration in classic Archaean Eastern Goldfields setting, sedimentary hosted gold in the WA Proterozoic, VMS-related gold in Indonesia and Greece, and alluvial gold in NZ.

Mr Flis has held the position of Exploration Manager in both large and small listed companies, including Rio Tinto, Iron Ore Company of Canada, and Royal Resources, the last of which he also held the position of MD/CEO.

Mr Flis is not currently a director of any other ASX listed companies.

The Board considers that Mr Flis will, if re-elected, qualify as an independent Director.

The Board (other than Mr Flis who has a material interest in the outcome of Resolution 2) supports the re-election of Mr Flis as a Director.

4. Resolution 3 – Placement – Shares

4.1 General

Resolution 3 seeks Shareholder approval for the issue of up to 100,000,000 Shares, at an issue price of at least 80% of the volume weighted average market price for Shares calculated over the last 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a prospectus relating to the issue, over the last 5 days on which sales in Shares were recorded before the date of the prospectus (**Capital Raising**).

The Company's Shares have been suspended from trading on the ASX since 30 May 2019. Assuming Capital Raising occurs before the suspension is lifted the minimum issue price would be approximately \$0.0032 per Share. Assuming the full 100 million Shares are issued \$320,000 would be raised.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that, where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

The effect of Resolution 3 will be to allow the Company to issue up to 100,000,000 Shares under the Capital Raising during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

4.2 **Technical information required by ASX Listing Rule 7.1**

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 3:

- (a) the maximum number of Shares to be issued is 100,000,000;
- (b) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Shares will occur progressively;
- (c) the issue price will be not less than 80% of the volume weighted average market price for Shares calculated over the last 5 days on which sales in the Shares are recorded before the day on which the issue is made or, if there is a prospectus relating to the issue, over the last 5 days on which sales in Shares were recorded before the date of the prospectus;
- (d) the Shares will be issued to sophisticated and professional investors, and other exempt investors under Section 708 of the Corporations Act, under the Capital Raising who are yet to be identified by the Company. None of these subscribers will be related parties of the Company;
- (e) the Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares; and
- (f) the Company intends to use the funds raised for continued exploration and assessment of resources projects, work on the Company's current permits, to providers of services to the Company, for acquisition of assets if required and general working capital.

5. **Resolution 4 – Placement – Options**

5.1 **General**

Resolution 4 seeks Shareholder approval for the issue of up to 100,000,000 Options for nil cash consideration to (at the Company's election):

- (a) subscribers for Shares issued:

- (i) using the Remaining Placement Capacity; and/or
 - (ii) under the Capital Raising,
 - (iii) on the basis of one (1) Option for every two (2) Shares subscribed for and issued; and/or
- (b) service providers to the Company, including without limitation for drilling services,

(Option Placement).

A summary of ASX Listing Rule 7.1 is set out in section 4.1 above.

The effect of Resolution 4 will be to allow the Company to issue the Options pursuant to the Option Placement during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity.

5.2 **Technical information required by ASX Listing Rule 7.1**

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to the Option Placement:

- (a) the maximum number of Options to be issued is 100,000,000;
- (b) the Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Options will occur on the same date;
- (c) the issue price of the Options will be nil as they will be issued:
 - (i) free attaching with the Shares issued pursuant to the Remaining Placement Capacity and/or the Capital Raising on a 1:2 basis; and/or
 - (ii) as non-cash consideration for services provided to the Company;
- (d) the Options will be issued, in the Company's discretion, to:
 - (i) the subscribers for Shares under the Remaining Placement Capacity and/or the Capital Raising on the basis of one (1) Option for every two (2) Shares subscribed for and issued; and/or
 - (ii) service providers to the Company, including without limitation for drilling services;
- (e) the Options will have an exercise price of \$0.01 per Option and an expiry date of 30 June 2021 and will otherwise be issued on the terms and conditions set out in Schedule 1; and
- (f) no funds will be raised from the Option Placement as the Options are being issued for nil cash consideration.

6. **Resolution 5 – Constitutional Amendment**

6.1 **General**

Section 136 of the Corporations Act provides that a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 5 is a special resolution proposing to modify the Company's Constitution by deleting the current Article 2.12 and inserting a new Article 2.12 in its place. Article 2.12 concerns restricted securities.

6.2 **Reasons for amendment to the Constitution**

In accordance with ASX's consultation paper of 28 November 2018 titled "*Simplifying, clarifying and enhancing the integrity and efficiency of the ASX Listing Rules*", the ASX proposed a number of changes to the Listing Rules.

One efficiency measure the ASX sought consultation on was to amend the Listing Rules to modify the escrow regime to make certain aspects of the listing process and ongoing compliance with the Listing Rules more efficient.

ASX's modified escrow regime is to come into effect from 1 December 2019. A two-tiered escrow regime is to be introduced.

The first tier will involve ASX requiring certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of an ASX compliant restriction agreement (Appendix 9A). The expectation is a restriction agreement requirement will be imposed on related parties, promoters, substantial holders, service providers and their associates.

However, for less significant holders, a second tier will apply where ASX will instead allow listed entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to provide a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions. Securities in a class of quoted securities will be made the subject of a holding lock for the duration of the escrow period.

This two-tier escrow regime is to replace the current requirement where all holders of restricted securities must enter into a formal escrow agreement.

In order to provide constitutional underpinning for ASX's modified escrow regime, the ASX is amending Listing Rule 15.12 (restricted securities) from 1 December 2019.

The new Listing Rule 15.12 requires the constitution of listed entities to reflect the modified escrow regime. This includes the constitution expressly providing for securities to be the subject of a holding lock where they are in a class of quoted securities and further providing that the holder of restricted securities will not be entitled to participate in any return of capital during the escrow period.

6.3 **Amendment**

The current Article 2.12 of the Company's constitution does not provide for the ASX's modified escrow regime. A modification is sought by deleting the current Article 2.12 and inserting a new Article 2.12 in its place on the following terms:

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
